GOVERNMENT OF ANDHRA PRADESH

ABSTRACT

Agriculture & Cooperation Department - CROP INSURANCE - Implementation of Pradhan Mantri Fasal Bima Yojana (PMFBY) Yield Based – 2024-25 & 2025-26 – Providing Free insurance coverage during Kharif 2024 based on e-panta, with a transition to voluntary enrollment for the following seasons (Rabi 2024-25, Kharif 2025, and Rabi 2025-26) – Notification of Crops and Areas (District wise) and other operational modalities - Orders – Issued.

AGRICULTURE & COOPERATION (AGRI.V) DEPARTMENT

G.O.MS. NO.80 Dated:04.09.2024.

Read the following:-

1. G.O.Rt.No.543, Agri. & Coop. (Agri.V) Dept., dated: 25.08.2024.
2. Proposals received from Director of Agriculture, AP., Guntur vide e-office file No.AGC02-21021/7/2024, (Computer file No.253839).

<<>>

ORDER:

The following Notification shall be published in the Andhra Pradesh State Extra Ordinary Gazette dated:09.09.2024

NOTIFICATION

In the G.O. 1st read above; Government has accorded administrative approval for implementation of Pradhan Mantri Fasal Bima Yojana (PMFBY) – Yield Based during 2024-25 & 2025-26. The scheme provides free insurance coverage during Kharif 2024, based on e-panta with a transition to voluntary enrollment for the following seasons (Rabi 2024-25, Kharif 2025, and Rabi 2025-26).

2. In the reference 2nd read above, the Director of Agriculture, A.P., Guntur has requested the Government to issue Notification orders for implementation of Pradhan Mantri Fasal Bima Yojana (PMFBY) during 2024-25 & 2025-26.

3. Accordingly, the list of Crops and Areas notified under PMFBY for the year 2024-25 and 2025-26 along with enrolment procedure, seasonality discipline and other operational modalities are Annexed to this order.

4. Claims under the Pradhan Mantri Fasal Bima Yojana (PMFBY) shall be settled solely based on yield data furnished by the State Government, derived from the requisite number of Crop Cutting Experiments (CCEs) conducted for the notified crops at the specified Insurance Unit level. The settlement of claims shall not be relied upon individual declarations of crop damage, press reports, Annavari certificates etc., or any other Gazette notifications related to droughts, floods, or other calamities.

(P.T.O)

5. The Director of Agriculture, A.P., Guntur shall take necessary action accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)

B.RAJSEKHAR
SPECIAL CHIEF SECRETARY TO GOVERNMENT

To:
The Commissioner of Printing & Stationary (Printing Wing), Vijayawada. (With a request to publish the Notification in the Andhra Pradesh Extra Ordinary Gazette and supply 50 copies of the same.)
The Director of Agriculture, A.P., Guntur
Copy to:-

PRADHAN MANTRI FASAL BIMA YOJANA (PMFBY)
2024-26 (KHARIF2024& 2025 – RABI 2024-25 & 2025-26)

NOTIFICATION

TheMainfeatures/OperationalModalities

The Pradhan Mantri Fasal Bima Yojana (PMFBY) is a comprehensive crop insurance scheme launched by the Government of India in 2016 and is currently being implemented in Andhra Pradesh. PMFBY helps to provide insurance coverage to farmers by offering protection against crop losses at a significantly reduced premium, while the remaining premium is subsidized by the government.

As per PMFBY guidelines, all the farmers cultivating notified crops in the notified areas are eligible for coverage/enrolment.PMFBY offers financial protection to farmers against crop losses due to unforeseen events such as natural calamities, pests, and diseases. By providing a safety net, it aims to enhance the resilience of farmers and promote sustainable agricultural practices in the state. The scheme operates under guidelines and directives issued by the Department of Agriculture & Farmers Welfare (DAC & FW).

For the selection of implementing agency at cluster level (State formed as 9 clusters for PMFBY- Yield Based) during 2024-25 and 2025-26, the State has invited bids from various General Insurance companies empanelled by the Govtof India, based on the approval given by the State Level Coordination Committee on Crop Insurance (SLCCCI).

In an effort to improve the implementation of the crop insurance scheme, State Govt formed a three-member Cabinet Sub-Committee (CSC) with the Hon'ble Ministers for Agriculture, Finance, and Civil Supplies to review and suggest way forward by adhering to the guidelines stipulated. The CSC conducted a comprehensive review of the bidding results, preparedness, farmer accessibility, and other relevant factors during their review meeting conducted on 22 July 2024.

After extensive deliberation, CSC made certain recommendations which have been subsequently approved, as per which, PMFBY will be implemented for 2 years, by adopting the Alternative Risk Sharing Model (ARSM)60-130 Cup & Cap at season/ cluster level. The Free insurance universal coverage model based on e-panta will continue for Kharif 2024 while subsequent seasons enables voluntary enrolment by the farmers.

The Govt vide GO Rt No.543, A&C Department dated 25-08-2024 issued Administrative Approval for selection of implementing agencies selected through bidding.

COVERAGE OF FARMERS:

Kharif 2024:

i. In the Kharif 2024 season, farmers cultivating notified crops in the notified areas will automatically be enrolled in PMFBY based on their e-panta (Digital Crop Survey) data, provided, they have successfully completed the e-KYC process and social audit.
ii. Farmers need not pay anything in the shape of premium. The State Govt will bear both the Farmer's share of premium and the State share of premium subsidy for all approved applications as per National Crop Insurance Portal (NCIP).
iii. The ICs can verify the correctness of enrollment data through e-panta data. Any discrepancy that is found further in time shall be taken to the notice of State Govt. It shall not be open for the insurance company to take a stand independently without consent of the State Govt & GOI on such applications.
iv. The e-panta data will be the final data for coverage and there shall not be any separate enrolment by the ICs. The data of eligible farmers as per e-panta portal will be transmitted to the Govt of India for porting on the National Crop Insurance Portal (NCIP) before 31st October 2024.

Rabi 2024-25 onwards:

i. For the next three seasons (Rabi 2024-25, Kharif 2025 & Rabi 2025-26) farmers including share croppers and tenant farmers, cultivating notified crops in the notified areas can voluntarily enroll in PMFBY.
ii. To participate in the scheme, the farmers need to pay the required premium within timelines and submit the necessary documents as per the procedures outlined in the PMFBY Revamped Operational Guidelines.
iii. The, farmers should have insurable interest for the insured crops and lands. Such farmers are required to submit necessary documentary evidence of land records prevailing in the State (Records of Right (RoR), Land Possession Certificate (LPC) etc.) and/or applicable contract/ agreement details/ other documents notified/ permitted by the State Government. Such farmers are also required to essentially submit Aadhaar Number and declaration about the crop sown/ crops intended to be sown.
iv. Under this scheme, farmers need to pay premium of 1.5% for Rabi and 2% for Kharif seasons based on the sum insured of all foodgrain and Oilseed crops notified. For annual commercial, horticulture crops, the premium is 5% in both the seasons. However, the Farmer's share will be limited further, to Actuarial Premium Rate if it is found to be lower. The difference between Actuarial Premium Rate and the rate of Insurance premium payable by farmers shall be treated as Rate of Normal Premium Subsidy, which shall be shared equally by the Centre and State Govt.
v. All the Loanee farmers who have been sanctioned Seasonal Agricultural Operations (SAO) loans from Financial Institutions for the Notified Crops/ Seasons will be deemed covered automatically unless a declaration for opting-out is given by the farmer in writing to the concerned bank/branch any time during the year but at-least seven days prior to the cutoff date for enrolment of farmers for the respective seasons.
vi. The scheme is optional for all farmers including farmers who have been sanctioned short-term Seasonal Agricultural Operations (SAO) loans/Kisan Credit Card (KCC) for the notified crops from defined Financial Institutions (hereinafter referred to as Loanee farmers). Existing Loanee farmers who do not want to get covered under the scheme have the option of opting-out from the Schemes by submitting requisite declaration to loan

sanctioning bank branches any time during the year but at least seven days prior to the cut-off date for enrolment of farmers for the respective season. All those farmers who do not submit the declaration would be essentially covered. Without having insurable interest of the farmer on the insurable land and notified crops shall not be eligible for coverage under the Scheme.

vii. The non-loanee farmers at their option can enroll through Common Service centers (CSCs) and other enrollment channels allowed. They are required to submit online or physical copy (as applicable), necessary documentary evidence of land records prevailing in the State (Records of Right (RoR), Land possession Certificate (LPC) etc.) and/ or applicable contract/ agreement details/ other documents notified/ permitted. Aadhaar has been made mandatory for availing Crop insurance for both Loanee and Non-loanee farmers.

1. COVERAGE MODEL:

The State has chosen adoption of Alternative risk sharing model (60:130), wherein the claims as well as surplus is shared between the State Government and the implementing insurance company as per the following formula.

Alternative Risk sharing model (Cup & Cap 60-130)

Risk sharing: ICs are liable up to loss ratios of 130%. Govt (State Govt and GOI equally) for the loss ratio of >130%. For the loss ratio between 0% to 60%, the IC retains 40%: and Govt (State Govt and GOI equally) gets remaining i.e., 60% minus actual loss ratio.

Central Govt equally participate either in loss or surplus situation. The loss ratio will be arrived at season / cluster level.

2. CLUSTER WISE IMPLEMENTING AGENCIES FOR PMFBY:

The State formed as 9 clusters and the details of implementing agency for each cluster as follows:

Cluster No.	No of Districts	Name of the Districts	Name of the Insurance Company selected
I	2	Anantapuram, Tirupati	Future Generali India Insurance Company Ltd (*)
II	3	Nandyala, Visakhapatnam, Guntur	Future Generali India Insurance Company Ltd (*)
III	3	Krishna, Chittoor, SPSR Nellore	TATA AIG General Insurance Co. Ltd.
IV	3	Prakasam, Annamayya, Eluru	ICICI Lombard General Insurance Company Ltd (*)
V	3	Srikakulam, Palnadu, YSR Kadapa	Future Generali India Insurance Company Ltd (*)
VI	3	West Godavari, Sri Satyasai, Vizianagaram	Agriculture Insurance Company of India Ltd
VII	3	Kurnool, Anakapalli, Dr BR Ambedkar Konaseema	TATA AIG General Insurance Co. Ltd.
VIII	3	NTR, Parvathipuram Manyam, Bapatla	TATA AIG General Insurance Co. Ltd.
IX	3	East Godavari, Alluri Seetaramaraju, Kakinada	SBI General Insurance Co Ltd

(*) L2 agreed to match the L1 premium rates.

3. **CROPS, AREAS AND LEVEL OF INSURANCE UNIT:**

VIU : Village Insurance Unit, MIU : Mandal Insurance Unit,
District : District Single Unit

4. COVERAGE OF RISKS:

a. PMFBY operates as an index-based insurance scheme, where the financial loss for a farmer growing notified crops in specified areas is determined by comparing the Actual Yield of the crop for a season with pre-defined historical Average Yield Index values at notified Insurance unit level. This ensures a standardized and transparent method for assessing crop losses.

b. All claims under PMFBY are settled based on final yield estimates obtained through Crop Cutting Experiments (CCEs). However, the scheme does not include additional coverage for events like prevented sowing, mid-season adversity, localized calamities, or post-harvest losses, focusing instead on yield-based compensation.

c. General Exclusions: Losses arising out of war and nuclear risks, malicious damage and other preventable risks shall be excluded.

5. DIST/CROP WISE SUM INSURED, INDEMNITY LEVES AND APPLICABLE PREMIUM RATES FOR 2024-25 & 25-26:

a. Cluster/ District / Season/ Crop wise level of Insurance unit, Indemnity level, Sum Insured Rs per Ha and details of distribution of Premium rates applicable for 2024-25 & 25-26 furnished as follows:

6. SUBSIDY ON PREMIUM:

a. The Actuarial Premium Rate (APR) would be charged by implementing agency. The difference between APR and Farmer's share will be shared by the Central Govt.& State Govt. on 50:50 basis, subject to maximum liability of Central Govt. up to 30% APR for Rainfed Areas and 25% APR for Irrigated areas. For the purpose of categorization of Districts between Rainfed and Irrigated, districts having 50% or more irrigated area have been categorized as Irrigated. The list of Districts classified as Irrigated and Rainfed as follows:

Notified District-wise Irrigated and Rainfed Status

S. No.	District Name	District Code	Irrigation Status (Irrigated / Rainfed)
1	Alluri Seetharamaraju	745	Rainfed
2	Anakapalli	744	Irrigated
3	Anantapuram	502	Rainfed
4	Annamayya	753	Rainfed

26	Y.S.R. Kadapa	504	Rainfed

7. THRESHOLD YIELD:

a. Threshold Yield (TY) for a crop in a notified insurance unit is the average yield of best 5 years from past seven years of that season multiplied by applicable Indemnity Level for that crop.

b. The state is adopting Fixed Threshold Yield Model for calculation of Claims. Hence the TY calculated for 1st Year i.e., for Kharif 2024 & Rabi 2024-25 shall remain same for the 2nd year also (2025-26)

8. SEASONALITY DISCIPLINE:

For Kharif 2024, the qualified e-panta data will be transmitted to the GoI for porting into NCIP at regular intervals keeping a maximum cap up to 31st October 2024. Hence, no other timelines apply.

RABI 2024-25, KHARIF 2025 & RABI 2025-26 ::

PMFBY - SEASONALITY DESCIPLINE MAJOR ACTIVITIES

Seasonality discipline (cut off dates) as applicable to various crops during **Rabi 2024-25**

Sl. No.	Activity	Notified Crop/s	Eligible Loaning period for coverage	Cut-off date for receipt of Applications of farmers/debit of premium from farmers account for loanee farmers **by all banks/ PACS/ BCs**	Non-loanee through CSCs/ Self registration etc
1	Enrolment of farmers for the season	All notified crops except Rice	1st October to 15th December,2024	15th December,2024	15th December,2024
		Rice	1st October to 31st December,2024	31st December,2024	31st December,2024
2	Cut-off date for opting out of existing loanee farmers from the scheme for current/ongoing season	All Notified Crops		At least 7 days before the prescribed cut-off date for enrolment	
3	Cut-off date for intimation of change of insured crop by the loanee farmer	All Notified Crops		2 working days prior to cut-off date for debit/collection of premium from farmers	
4	Cut-off date for generation of challan and online/electronic remittance of Premium to respective ICs and uploading of details of individual covered loanee farmers on NCIP by Bank branches for which premium has already been remitted	All Notified crops		Within 15 days after cutoff date	
5	Cut-off date for ICs to accept or reject the farmer's data on Portal	All Notified Crops		Within 15 days from the cut-off date for uploading of data/information by Banks/ PACS/CSC/ Agent/BCs respectively.	Within 30 days after cut off date
6	Cut-off date for processing of applications by ICs and auto approval of application of insured farmers on crop insurance Portal	All Notified Crops		60 days from the cut-off date for enrolment/debit of premium from farmers.

9. PROCEDURE FOR COLLECTION OF PREMIUM FROM THE FARMERS (Rabi 2024-25, Kharif 2025 & Rabi 2025-26)

The National Crop Insurance Portal (NCIP) plays a crucial role in ensuring that farmers receive the necessary crop insurance coverage.

To ensure smooth implementation, the revamped operational guidelines clearly define the enrollment process, conditions, roles & responsibilities of all stake holders. It's crucial to adhere strictly to these guidelines. By adhering to these guidelines, banks and enrolment agencies can ensure that farmers are adequately covered under the NCIP, securing their crops and livelihoods against potential risks.

Some of the key points indicated as follows:

Loanee farmers:

i. Bank Branches as Enrolment Hubs: All scheduled commercial banks, regional rural banks, and cooperative banks serve as the nodal points for enrolling farmers into the NCIP. For those associated with cooperative banks, the primary agriculture credit societies (PACS) will handle enrolment through their respective cooperative branches.

ii. Coordinated Efforts by Banks: Lead banks, along with regional and administrative offices, to monitor the progress and provide guidelines/handholding to ensure that all bank branches generate payment challans and remit farmers' premiums electronically. This streamlined process ensures that all necessary details are submitted on time to the insurance companies via NCIP.

iii. Mandatory Data Uploads: Banks must upload detailed information about insured farmers on the NCIP as per the seasonality discipline. This data includes the total insured area, premium amounts, and transaction details. No other platforms are allowed for data submission, making NCIP the sole portal for this purpose.

iv. Eligibility for Insurance: Only farmers whose details are uploaded on the NCIP will be eligible for insurance coverage and receive premium subsidies. Banks will be held accountable if any farmer is denied insurance due to delay in remittance premium and for errors in data submission.

v. One Source Enrolment: The farmers may be advised to enroll for insurance through a single source only (whether it's a bank, a CSC, or an insurance intermediary) for the same piece of land. If cultivating more than 1 notified crop on the same survey subdivision number, the application should contain the detailing the area for each crop.

vi. Loan and Insurance Coverage: When banks sanction crop loans for notified crops, sanction of additional loan component to loanee farmers towards premium payable by them to be considered. Farmers can opt out of the scheme by submitting a declaration, but banks must calculate the loan amount for both Kharif and Rabi seasons also considering the premium.

vii. Timely Subsidy and Claims: To ensure timely payment of claims to the farmers, accurate and detailed information about insured farmers must be uploaded on the NCIP. The seasonality discipline is crucial for all stake holders.

viii. Account Details for smooth Transfer: Banks and other enrolment agencies must provide valid

bank account details, including IFSC code, to facilitate smooth transfer of claim transfers to farmers. For Kharif 2024, the claim settlement will be based on Aadhar Enabled Payment System (AEPS) only. For any failed AEPS payments, the State Govt. will provide bank details of farmers to enable settlement of pending claims if necessary.

ix. Handling Misreporting: Any discrepancies in the reported acreage or other details will be subject to verification. Any negligence or malpractice leads to penalties as per the provisions of ROGs.

x. Opt-In and Opt-Out Flexibility: Farmers can choose to opt out of the scheme by submitting a declaration, but they must do so at least 7 days before the enrolment cut-off date. If they change their mind, they can opt back in by submitting a new declaration to Opt-in as per the prescribed format mentioning withdrawl of earlier submitted Opt out declaration at least 7 days before the cut-off date for enrolment/debiting premium.

xi. Continuous Monitoring: All agencies regularly evaluate the reasons behind the non-enrolment of farmers. Misuse of the opt-out option has been identified as a significant issue, and measures are being taken to prevent this.

xii. Seasonal Opt-Out Rules: The opt-out option is now only valid for a single season (current season). Farmers wishing to opt out for subsequent seasons needs to submit a fresh declaration each time.

xiii. Monitoring: The concerned Lead bank and Regional offices/ Administrative offices of Commercial banks/RRBs to monitor the enrolment and make necessary arrangements to handhold the concerned bank branches and coordinate with them to ensure that all concerned branches compulsorily generate the payment challan and remit the consolidated farmers premium electronically/online through payment gateway on NCIP to the concerned ICs and submit/upload the consolidated requisite proposals/information in the prescribed format within the stipulated cut-off dates and also upload the details of individual covered/insured farmers on NCIP.

xiv. Banks, PACS, and intermediaries must upload details of insured farmers, including personal information and insured crop details, on NCIP within the cut-off date. They are responsible for complete and accurate documentation. Insurance companies must verify the coverage of farmers and crops, reconcile data, and ensure that any mismatches are reported to the concerned bank branches electronically through revert. Failure to rectify errors within 7 days may result in penalties for the bank, and claims will be the bank's responsibility. If insurance companies fail to verify data on time and revert, the responsibility transfers to the IC.

xv. Service charges: For Kharif 2024, 3.5% commission on probable farmer premium shall be paid to the Department within 15 days from the date of porting of final data into NCIP. For the remaining three seasons, the Banks and other financial institutions shall be paid service charges @ 4% of the farmer's share of premium by Insurance Company for the farmers enrolled by the bank branches, as generated from the NCIP.

xvi. The bank Head Office for all its branches or respective bank branches separately can request service charges from ICs. The Bank HQ or branches should compulsorily enter the Goods & Services Tax (GST) number (Central Goods & Services Fund (CGST)&State Goods & Services Fund (SGST) both) and details of the bank accounts for remittance of bank service charge in the credential/login page of the Portal to facilitate online generation of the bank service charge invoice for the use of concerned Insurance Company and remittance of the same by them.

xvii. No service charges will be payable to the concerned bank/branch for the applications involving anomaly/deficiency/misrepresentation of details/data and has been rejected by the Insurance Company. However, service charges will not be reduced/forfeited on application of the ACF.

Non-Loanee farmers (through CSCs, Banks and other channel partners):

Revamped Operational guidelines formulate certain guidelines that are designed to streamline the enrolment process, ensuring that non-loanee farmers receive timely and accurate crop insurance coverage while maintaining compliance with the Scheme's regulations.

Some of the key points indicated as follows:

i. Application Process: To avail of crop insurance, non-loanee farmers must fill the Scheme's application form and submit it to the nearest Common Service Centre (CSC), Bank/ authorized channel partner, or insurance intermediary appointed by the insurance company. Loanee farmers who have opted out of the Scheme but wish to insure other crops must also fill out the application form. Submission can be made through a bank branch, CSC, NCIP portal, authorized channel partner, or insurance intermediary. These farmers will be treated as non-loanee farmers.

ii. Submission through CSCs: Farmers applying through CSCs must authenticate their identity using Aadhaar. The farmer will be required to authenticate herself/himself using Aadhaar for filling up online application form. Having a valid bank account is essential for such cases. In this case, CSC-VLE will upload all requisite/desired supporting documents on Portal while filling up the application form on behalf of the farmer. The CSC-VLE will upload all required documents on the portal during the application process. Incomplete applications or missing documents will not be considered for insurance coverage, and the CSC-VLE is responsible for ensuring proper completion of the application form and issue spot receipt to the farmer which was generated through NCIP.

iii. Service charges: The applicable Service charges shall be paid by the concerned IC only. This includes charges for submission of electronic data of farmers along with uploading of the copy of Land Possession Certificate (LPC)/Land records/ /contract document or any other document defined by the concerned State Government to identify share-cropper/tenant farmer, self-declaration of the intent to sow the proposed crop or sown crop/sowing certificate as notified by the State, Bank Passbook upto 5 pages and printout of one page of the premium acknowledgement receipt.

iv. No service charges will be payable to the CSC for the applications for which any anomaly/ deficiency/ misrepresentation of details/data is found and which have been rejected by the Insurance Company.

v. The service charges/Insurance Commission shall also be paid by the concerned Insurance Companies for enrolment of non-loanee farmers by Insurance Agents/Intermediaries.

vi. All payments of commission, rewards & service charges by the Insurance Company will be subject to the applicable circulars and regulations issued by the Ministry of Agriculture & Farmer's Welfare, GoI and the IRDAI from time to time.

vii. Submission through Bank Branches: Farmers submitting applications via bank branches must provide a duly filled proposal form, applicable insurance premium, and supporting documents.

The bank will verify the documents and either accept or reject the application. Premium payments should be made from the farmer's operational account in the bank branch itself. The bank is responsible for assisting farmers in completing the application process.

viii. Authorized Agents and Intermediaries: Insurance companies may utilize IRDAI-approved micro-insurance agents or intermediaries, to enroll non-loanee farmers with the prior approval of the Department. Insurance companies must submit the details of these agents, including manpower and infrastructure etc., before beginning of the season for approval. Institutions such as post offices may also be used for the insurance of non-loanee farmers after integration with the NCIP, subject to the approval of competent authorities. ICs shall be held responsible for the correctness of data uploaded by their own appointed intermediaries/ channel partners other than CSCs and Direct enrolment on the NCIP.

ix. Online Submission: Alternatively, farmers can submit their application online through the NCIP portal (www.pmfby.gov.in). An acknowledgment receipt and unique identification number will be generated upon submission, and confirmation will be sent via SMS to the registered mobile number.

x. Mandatory Requirements: Non-loanee farmers must provide proof of insurable interest, Aadhaar number, and any other required documents as per the SLCCCI guidelines. Farmers are responsible for the accuracy of the information provided in their applications. Incorrect or incomplete information may lead to the rejection of the insurance proposal.

xviii. Verification and Rejection of Proposals: As per guidelines, ICs may approve or reject applications within 15 to 30 days based on the completeness of the submission. If rejected, the premium will be refunded to the farmer. Premium refunds must be processed within 45 days of the cut-off date. If refunds are delayed, the insurance company must accept the application and process claims as per the normal procedure. They CSCs are responsible for complete and accurate documentation. Insurance companies must verify the coverage of farmers and crops, reconcile data, and ensure that any mismatches are reported to the concerned CSC-VLE electronically through revert. Failure to rectify errors within 7 days may lead to rejection. If insurance companies fail to verify data on time and revert, the responsibility transfers to the IC.

xi. Integration with NCIP: All applications and premium payments must be uploaded on the NCIP portal. The use of alternative platforms is not permitted. CSCs, banks, and authorized agents are responsible for ensuring that applications are properly recorded and submitted on the portal within the stipulated timelines.

xii. Any declarations or proposals, along with the premium collected/uploaded by banks, PACS, or BCs, after the cut-off date will be rejected. Responsibility for such rejections lies with the concerned bank or intermediaries.

xiii. Data Entry on NCIP: After the cut-off date, data/proposal entry on the National Crop Insurance Portal (NCIP) will be stopped automatically. Any disputes must be resolved at the State level by approaching the competent authority.

xiv. Banks, PACS, and intermediaries must upload details of insured farmers, including personal information and insured crop details, on NCIP within the cut-off date. They are responsible for complete and accurate documentation. Insurance companies must verify the coverage of farmers and crops, reconcile data, and ensure that any mismatches are reported to the concerned bank

branch. Failure to rectify errors within 7 days may result in penalties for the bank, and claims will be the bank's responsibility.

xv. Besides all, the Insurance companies must send policy details to loanee farmers in the form of an Inland Letter Card (ILC) or distribute policies through GOI programmes like Mere Policy Mere Haath (MPMH).

10. OPTION FOR CHANGE OF CROP BY THE FARMER:

i. PMFBY Guidelines have a provision to change the insured crop. Loanee farmers can change the insured crop from the original crop mentioned in the loan application. This change must be submitted in writing to the concerned bank branch at least 2 working days before the enrolment cut-off date. The new crop will be insured accordingly. If the new crop's premium is higher, the bank will debit the additional premium from the farmer's account. If the new premium is lower, the bank or insurance company will refund the excess amount to the farmer's account.

ii. For Non-loanee farmers who are already covered under the scheme can change their crop before actual sowing/planting, based on advance crop planning. The farmer must inform the insurance company about the change through their enrolment channel (e.g., bank, CSC, insurance intermediary) at least 2 working days before the enrolment cut-off date. Farmers must submit a sowing certificate issued by the village/sub-district official along with any difference in premium payable. If the premium for the new crop is lower, the bank, CSC, or insurance company will refund the excess premium to the farmer.

iii. These guidelines ensure that farmers can update their crop insurance details while maintaining compliance with the Scheme's rules and deadlines. However, the enrolment data will be validated further with the final e-panta data of respective season.

iv. All stakeholders, including banks, insurance companies, and intermediaries, must strictly adhere to the timelines outlined in these guidelines to ensure smooth processing and avoid penalties.

11. LOSS ASSESSMENT AND CLAIM SETTLEMENT BASED ON CCEs DATA:

i. If 'Actual Yield'(AY) per hectare of insured crop for the insurance unit (calculated on basis of requisite number of CCEs) in insured season, falls short of specified 'Threshold Yield' (TY), all insured farmers growing that crop in the defined area are deemed to have suffered shortfall of similar magnitude in yield. PMFBY seeks to provide coverage against such contingency.

ii. 'Claim' shall be calculated at IU level as per the following formula:

$$\frac{\text{(Threshold Yield – Actual Yield)}}{\text{Threshold Yield}} \times \text{Sum Insured}$$

Where Threshold Yield (TY) for a crop in a notified insurance unit is the average yield of best 5 years from past seven years of that season multiplied by applicable Indemnity Level for that crop.

iii. Minimum number of pickings for Red Chillies under PMFBY defined as follows:

Statement showing the minimum number of pickings required For assessment of Yield (Yield based)			
Season	Crop Name	Districts	Min No of Pickings
Kharif 2024 & 2025	Red Chillies	Ananthapuram, Prakasam, NTR, Kurnool, Guntur, Bapatla, Palnadu and Nandyal	3
Rabi 2024-25 & 2025-26		Prakasam	4

iv. The Directorate of Economics & Statistics (DES) will provide crop-wise and insurance unit-wise Actual Yield (AY) data based on Crop Cutting Experiments (CCEs) conducted through a random sampling method. This data will be final for claim settlement.For horticulture crops notified under PMFBY (Yield-based), the Horticulture Department will provide the relevant yield data.

v. To ensure transparency in CCEs and Claim Settlement, the Insurance Companies (ICs) must co-observe the conduct of CCEs. They should document the process and also permitted to obtain joint signatures from the Primary Worker, Supervisory Officer, and Farmer present at the CCE site. After the CCEs are conducted, ICs are not allowed to audit the authenticity of the AY data or request additional information (e.g., CCE plot-wise yields or picking-wise details) before claim settlement.

vi. If CCEs are conducted before the issuance of a work order, the yield data from these CCEs will be provided separately by DES. ICs must request this data within 15 days after the issuance of the Notification.

vii. Efforts should be made to achieve 100% recording of yields through the CCE-app linked to the National Crop Insurance Portal (NCIP). If this recording is not feasible, DES-provided data will be used for yield calculation.

viii. In cases where the required number of CCEs could not be conducted due to factors such as inadequate cropped area, adverse weather conditions, or other practical reasons, yield estimates for the affected Insurance Units (IUs) will be generated using the following priorities:

a. Yield from a Neighboring Insurance Unit with the highest correlation will be adopted.
b. The yield estimate from the next higher administrative unit will be used.
   Case 1: No CCEs Conducted: If no CCEs are conducted in a particular IU, the average yield of the nearest IU will be adopted as the Average Yield for the primary IU.
   Case 2: Partial CCEs Conducted: If only some CCEs are conducted, the average yield from these CCEs will not be considered representative. Instead, the average yield of the nearest IU where all CCEs were completed will be considered. The weighted average of CCEs conducted in both the partial and fully completed IUs will be used to determine the Average Yield for the primary IU.
c. Consistency in Insurance Unit Size: The Insurance Unit used for yield substitution should be of equal size, and the adopted AY will also prevail for historical yield calculations.

12. ADOPTION OF TECHNOLOGY—YES-Tech:

i. YES-Tech: As mandated by the GOI, Yield Estimation System based on Technology i.e., YES-Tech is to be implemented on the Paddy crop giving a weightage of 30% to Yield estimate derived at IU level using Satellite Technology and the same will be implemented in Cluster No.II, Nandyala district and Cluster No.IX, Kakinada Districts during Kharif and Rabi 2024-25 & 2025-26.

ii. The Space Application Centre, Ahmedabad has been selected as Mentor agency & AP Space Application Centre (APSAC), Vijayawada will act as Technology Implementation Partner (TIP) and **Semi Physical Model** will be adopted for implementation of YES Tech.

iii. To protect the interest of the farmer in the event of abnormal variation between the 2 data sets, the committee also proposed to keep a tolerance limit of 30% (+ or -) for the YES-Tech Yield (vs) CCE.

iv. All the Guidelines as per YES-Tech Manual will be applicable for implementation during 2024-25 & 2025-26.

13. ACERAGE DISCRIPENCY:

i. Some areas in the past have experienced excess insurance coverage compared to actual sown acreage, resulting in over-insurance. All suitable measures shall be taken by concerned stakeholders for de-duplication with the help of Aadhaar Number, land records, banks records, revenue records and proposal/loan application of insured farmers. The integration of digitized land records with the National Crop Insurance Portal (NCIP) will help prevent multiple policies on the same land, and land details of insured farmers will be captured on the Portal for accurate processing.

ii. ICs are responsible for verifying acreage discrepancies using land records data and e-panta data for all Loanee and non-loanee farmers. Banks and agencies must publicize to advise the farmers for declaring right crop and the consequences of over-insurance.

iii. ICs need to verify insured locations for each crop and report data to MoA&FW/MNCFC. Any large-scale irregularities, such as insured areas exceeding cultivable land at the Taluka level, must be reported to the State Government and MoA&FW for corrective action. If the difference between insured and sown areas exceeds 30%, it should be reported to MoA&FW, and ICs must provide ground-level data to assist in generating accurate sown area data.

iv. Excess insured areas will be treated as uninsured, with corresponding premiums forfeited and transferred to the Technology Fund of GoI. If an Area Correction Factor (ACF) is applied, any refunded premium subsidy will be returned to the Central/State Government based on their subsidy sharing ratio.

14. SUMMARY OF CCE PLAN:

DISTRICT/ CROP WISE CROP CUTTING EXPERIMENTS PLANNED KHARIF 2024 & 25

Sl. No.	District	PMFBY (Yield Based)								
		Village Insurance unit (VIU)			Mandal Insurance Unit (MIU)			District Insurance unit (DIU)

15. INFORMATION EDUCATION AND COMMUNICATION (IEC) ACTIVITIES:

i. The revamped PMFBY emphasizes the importance of Information, Education, and Communication (IEC) and Capacity Building activities to effectively implement the scheme. These efforts are aimed at raising awareness among farmers and ensuring that all stakeholders, including government officials, banks, and field workers, have a thorough understanding of the scheme's provisions and processes.

ii. ICs, starting from Rabi 2024-25, will need to create detailed micro-level plans for IEC and training activities. These plans should focus on different stakeholder groups, taking into account their unique roles and responsibilities in the scheme. The plans should be prepared in consultation with the Govt and other stakeholders and must be implemented diligently.

iii. Mass awareness generation and sensitization of key stakeholders at the highest levels through targeted programs. Active engagement of stakeholders involved in field-level implementation through continuous training and handholding support. This will ensure that those directly interacting with farmers are well-equipped to assist them. Organising farmers meeting etc to sensitise the farmers about the importance of protecting the risk.

iv. Insurance Company will ensure District and Block/Tehsil/Taluka or equivalent level contact centres manned by a regular manpower for day-to-day interaction and capacity building of farmers and other stakeholders including banks and district administration. Insurance company will submit list manpower deployed on field at district, sub-district and below within 1 month from receiving Notification of Award. The insurance company representatives are permitted to use RSK premises temporarily for creating awareness about the Crop Insurance scheme and the importance of e-crop. The usage of RSK by the ICs shall only be restricted for implementation of Crop Insurance scheme only.

v. All available channels, including print, digital, traditional, and social media, should be utilized to disseminate information about the scheme. This ensures that farmers in all villages of notified districts/areas are informed about PMFBY and its benefits.

vi. Training and capacity-building activities must be carried out regularly, starting three months before the enrollment period and continuing until claim settlement. This ongoing support helps to address any challenges that arise during the implementation process.

vii. As per guidelines, the Insurance company should spend 0.5% of the total gross premium for publicity expenses at the field level. In case of expenditure in this category is less than 0.5% of Total Gross Premium, the IC shall deposit the difference in Technology fund within 3 months of cut-off date for enrolment. Since the AP is implementing a unique model during Kharif 2024, and hence the publicity expenditure earmarked to State i.e., 0.25% of the Gross premium need to be deposited to the Bank Account (IEC Activities exclusively) of the State Agril Dept for optimum utilization of publicity expenditure. From Rabi 24-25 onwards the ICs need to incur the expenditure directly and the corresponding details should be submitted to Central Govt. and State Govt./ Nodal Department at the end of every season.

viii. To ensure the effectiveness of the IEC and training efforts, strict monitoring and tracking of activities at both the national and state levels will be necessary. This ensures that all planned activities are executed properly and contribute to the overall success of the PMFBY scheme. An

advisory Committee will function under the supervision of Joint Secretary / CEO-PMFBY, DAC&FW to plan and undertake aforesaid activities.

16. GOODS & SERVICE TAX (GST):

i. Collection of premium under the Scheme is exempted from applicability of Goods & Service Tax (GST)

17. MONITORING AND REVIEW OF THE SCHEME:

i. State-Level Monitoring: The State Level Coordination Committee on Crop Insurance (SLCCCI) will be responsible for overseeing the scheme's implementation in the state. SLCCCI ensures that the scheme benefits farmers effectively and aligns with state-specific agricultural needs.

ii. A National Level Monitoring Committee (NLMC), chaired by the Secretary of the Ministry of Agriculture and Farmers' Welfare (MoA&FW), will monitor the scheme's progress at the national level.The NLMC will ensure consistent implementation across all states and address any national-level concerns.

iii. Data Collection and Submission: Banks, Common Service Centers (CSCs), and other intermediaries will collect detailed information about insured farmers, including personal details, crop information, and premium data. This data will be electronically submitted through web or Core Banking System (CBS) modules before the final cut-off date. States are required to provide yield data to the relevant insurance companies within one month of the crop harvest.

iv. Claims Processing: Insurance Companies (ICs) will calculate claims based on actual yield data and predefined thresholds. Once the claim amount is determined, it will be transferred directly to the farmer's bank account electronically. Banks must display a list of beneficiaries and claim details within seven days of receiving the claim information.

v. Periodic Review and Impact Assessment: State government will review the scheme's progress, conduct impact assessments after each crop season, and send recommendations for improvement to the Department of Agriculture, Cooperation & Farmers Welfare (DAC&FW). Approximately 5% of beneficiaries will be verified by regional or local offices of ICs, with additional verification by district committees (DLMC) and cross-verification by state authorities.

vi. However, the enrollment data will be checked for correctness through e-panta. ICs are advised to take appropriate action if any data mis-match is observed. ICs can also verify enrollment data against e-panta data and conduct field verification. If any differences are observed, they should immediately submit feedback to the concerned District Administration, escalating to the State level if the issue persists.

18. GRIEVANCE REDRESSAL MECHANISM:

i. Grievance Handling: Each district will designate Taluka and District Level Grievance Redressal Officers, typically from the Agriculture or Horticulture departments, to address grievances from farmers, banks, and insurance companies. Grievances must be resolved within seven days of receipt. If the issue remains unresolved, it will be escalated to the District Level Grievance Redressal Committee (DGRC).

ii. District-Level Grievance Redressal Committee (DGRC): The DGRC, headed by the District Magistrate or Collector, includes representatives from farmers, banks, insurance companies, and district authorities. The committee is responsible for resolving grievances within 15 days. If the committee fails to resolve the issue or if the grievance affects multiple districts, it can be escalated to the State Level Grievance Redressal Committee (SGRC).

iii. State-Level Grievance Redressal Committee (SGRC): The SGRC, chaired by the Principal Secretary Agriculture, addresses grievances unresolved at the district level. The committee also includes representatives from banks, NABARD, insurance companies, and state authorities. Subject matter experts can be invited if needed. The SGRC is required to resolve grievances within 15 days, and the decision will be binding on all parties. If the grievance monetary values exceed Rs. 25 Lakh, the matter can be directly raised at the SGRC.

iv. National Grievance Redressal Mechanism: A National-Level Centralized Grievance Redressal Mechanism has been established to strengthen local committees and ensure timely resolution of grievances.It will include proper reporting mechanisms, documentation, and regular updates on the status of grievances via social media and official channels. A centralized toll-free number will be set up for farmers to register complaints, which will be tracked using a unique ticket number. The status and resolution timeline will be shared with the complainant via SMS.

v. Insurance Company Grievance System: Each insurance company must establish a robust grievance redressal mechanism, including local representatives at the Tehsil/Taluk level to handle farmer grievances. Senior representatives at the district and state levels will participate in grievance redressal meetings. Insurance companies must resolve grievances within seven days and submit monthly reports detailing the number of grievances received and their resolution status to the relevant committees.

vi. All the aforesaid committee constituted for redressal of grievances of the stakeholders should examine and dispose of grievances as per the Revamped Operational Guidelines. Any clarification / interpretation of provision of the Revamped Operational Guidelines solely lies with DAC&FW, MoA&FW, Government of India. required and provide the resolution/redressal within given timelines. The solution/redressal shall be intimated to the farmer through telephonic call and also through SMS generated by NCIP.

19. ROLE AND RESPONSIBILITIES OF VARIOUS AGENCIES:

i. For successful implementation and administration of Scheme, roles and responsibilites of various Agencies/ Institutions/ Government Departments/ Committees have been defined in the Section 30 of the ROGs and the same shall be followed scrupulously.

State Government:

ii. To set up and notify the District Level Monitoring Committee (DLMC), District Level Grievance Redressal Committee (DGRC), District Level Joint Committee and District Level Steering committee for CCEs and to hold regular meeting and ensure frequency of meetings at the district level.

iii. Plan and conduct awareness and publicity three months prior to the start of the coverage period, to maximize coverage of the farmers especially non-loanee farmers in co-ordination with implementing ICs. State Government may also earmark separate annual budget for the same.

iv. To undertake requisite number of CCEs in the notified area as per the GCES/State manual. Provide the yield data to the Insurance Company within the prescribed cut-off date, along with results of the individual CCEs.

v. Relevant documents may be provided to the IC only for those CCEs co-observed by the ICs. It is only in cases of CCEs Co- observed by ICs, can objections be raised by the company on any contradiction in yield data.

vi. Approval of CCE data on portal and uploading of missing CCE data to facilitate calculation of claims on portal.

vii. Ensure mandatory use of Mobile Application/ other technology like RST for improvement in the quality of CCEs and digitization of CCE-wise yield on NCIP.

viii. Undertake performance evaluation of implementing ICs, and calculate penalty on ICs as per OGs

ix. Ensure no condition is enforced in violation of the provisions mentioned in the OGs.

Insurance Companies(IA):

i. ICs to liaise with State Governments. and Agencies/ Institutions/Committees involved in the implementation of PMFBY and regular participation in meetings conducted.

ii. Claim processing / finalization on receipt of yield data from States/UTs and payment within the prescribed timelines. Claims shall be remitted directly into the designated bank accounts of farmers through the portal after the activation of necessary module.

iii. To verify the bank/land records when claims are reported due to clerical errors/omissions. This can be done only before the approval of claims

iv. Ensure timely payment of commission/ service charges to banks/CSCs /BCs for implementing the Scheme.

v. **Awareness and publicity** – undertake extensive efforts to create awareness and generate publicity at the grass-root level including bank branches. Also coordinate with the States and other agencies for awareness and publicity of the Scheme. Refer to the IEC and Training activities detailed in Section 26 of the guidelines.

vi. Provide requisite returns/statistics/information demanded by the Central and State Governments. Handhold Bank branches and facilitate their training and capacity building especially in terms of timely digitizing details of the insured farmers with all requisite details on NCIP.

vii. Ensure intermediaries/ agents digitize the details of insured farmers and beneficiaries with all requisite details on NCIP well in time.

viii. Redressal of all Public Grievances within the time fixed by the IRDAI. Maintain a centralized farmer's help line number (Toll Free Number) to be used for addressing the grievances of farmers. It will be based on a docket system with the provision of forwarding the grievances to respective ICs for resolution. Maintenance of the record of grievances received from different sources and its disposal.

ix. The coverage of eligible loanee farmers should be carried out by ICs through the banks/FIs. Coverage through agents/ brokers is not allowed.

x. Establish a functional office at the sub-district level i.e. Tehsil/Block level in each District and at least one agent should be deployed at each Tehsil/Block level office in the allocated Districts. The district office be headed by the IC representative who should bean Agri Graduate. Details of the offices at the district level including contact number of the person should compulsorily be uploaded on NCIP.

xi. Deployment of sufficient manpower to co-observe CCEs and allied activities. Ensure compulsory co-observance through CCE-Agri App.

Financial Institutions/Banks

i. For purpose of PMFBY, scheduled banking institutions engaged in disbursing Seasonal Agricultural Operations (SAO) loans/KCC loan as per relevant guidelines of NABARD/RBI shall be reckoned as Banks.

ii. Notification, as well as other directives, guidelines, etc., shall flow as Insurance Company→ District Lead Bank/Administrative offices of Commercial banks/RRBs/DCCBs →Service /Individual Bank Branch /PACS.

iii. Communicate Notification, as well as other directives, guidelines, etc. to all agencies that fall within their jurisdiction.

iv. Ensure that all agencies within their jurisdiction sanction additional loan component to loanee farmers towards premium payable by them.

v. Adequate publicity for Opt out process and intimation of farmers. Record keeping of all Opt out applications.

vi. Ensure that all service (subordinate) bank branches within their jurisdiction serve all non-loanee farmers desiring and eligible to take insurance cover under PMFBY. Such service will include opening of bank account of non-loanee farmers, guiding them to fill up the proposal forms, accepting premium from them and maintaining records etc.

vii. Ensure that the premium for both loanee and non-loanee farmers shall be remitted to the concerned ICs and the related data is uploaded on NCIP within the prescribed time.

viii. Lead bank/Administrative Offices of Banks should ensure that all farmers sanctioned crop loans/seasonal operational loans/KCC loan for notified crop(s) are necessarily insured (except for those opted out) and strict adherence of all conditions stated in the Operational Guidelines of the Scheme. No eligible farmer should be deprived of an insurance cover. Lead banks/ Administrative Offices of Banks therefore, should make all efforts and pursue their branches for enrolling all eligible loanee farmers and interested non-loanee farmers under crop insurance. In case, claims have arisen during crop season then respective defaulting bank and its branches would be made responsible to make payment of the admissible claims to loanee farmers who were deprived of insurance cover

ix. Concerned Bank and its branches should ensure digitization of insured farmer details on NCIP along with details of remittance of premium within stipulated time. The consolidated premium of farmers' share will be remitted electronically through the payment gateway of NCIP followed by the compulsory entry of payment details on the Portal for proper and timely reconciliation by the ICs.

x. If the Concerned Bank and its branches are not able to remit the amount of premium collected /debited within defined timeline to the concerned ICs then they will be liable to pay the admissible claims to farmers who are deprived of insurance cover.

xi. The IC shall acknowledge the receipt of the farmers premium and declarations submitted by the banks and any clarification/rectification sought by ICs should compulsorily be replied/addressed by the bank within 7 days. The banks should cross check with their records and aberrations, if any, should be brought to the notice of the IC immediately. If no response is received from banks within cut off time/reconciliation period, the details submitted on the Portal shall be considered final and no changes would be accepted later on. ICs will thereafter may act as deemed fit as per applicable provisions.

xii. ICs may be permitted to access all relevant records / ledgers related to insured farmers at the Nodal Bank/ Branch/ PACS for the purpose of scrutiny, if desired by them.

xiii. Banks should ensure that farmer are not deprived of any benefit under the Scheme due to errors/omissions/commissions of the concerned branch/ PACS, and in case of such errors, the concerned agencies shall have to make good of all such losses.

xiv. To collect Aadhaar Number and Mobile number of all eligible farmers well before the start of enrolment/debit of premium.

xv. Maintaining the records of the proposal/declaration forms and other relevant documents and statements for the purpose of scrutiny/ verification by the IC or its authorized representatives and DLMC, if necessary.

xvi. To reconcile, validate and provide clarification, if necessary, on the coverage details to the IC within next 15 days from the cut-off date for data uploading on the NCIP and within 7 days of the receipt of such request from IC

xvii. Debit /collect the applicable premium from the farmer's account on or before cut-off-date and remit it entirely to the concerned Insurance Company electronically.

Common Service Centre-Special Purpose Vehicle (CSC-SPV):

i. Ensure enrolment of non loanee farmers through its SPV/VLE

ii. To educate and train the VLEs on marketing and sale of crop insurance through the NCIP and /or through concerned ICs at the District level.

iii. Electronically remit the premium collected from the CSCs to the concerned ICs in batches but no later than 3 days of receipt of premium from farmers. To reconcile the premium from farmers to the concerned ICs in T+1 timeline.

iv. To reconcile the data uploaded on NCIP and premium remittance to the concerned ICs within 7 days post cut-off date for enrolment of farmers.

v. Will be responsible for accuracy of details and document of individual farmers uploaded on NCIP and liable for claim payment due to errors and omissions committed by SPV/VLE.

Common Service Centres - Village level Enterpreneurs (CSC-VLE):

i. To educate the farmers especially non-loanee farmers on the feature of the Scheme . While accepting the application from the individual farmers, CSC-VLE will explain the provisions and provide details of the documents required. They must also make the farmers aware of the consequences of incorrect submission of information/documents. Further, they must ensure that all the documents submitted by the farmers should be scrutinised thoroughly, verified and uploaded on NCIP in legible form to avoid any anomaly in the coverage of that particular farmer by Insurance Company.

ii. To display the advertisement, publicity material, banner, poster, leaflets in its premises for farmers as provided by the ICs/State Government.

iii. To fill up the online insurance proposal in the prescribed format and collect the required documents from non- loanee farmers only.

iv. Collect the premium on behalf of the implementing IC, strictly as per the provisions of the Scheme.

v. To fill up the correct details of non-loanee farmers and upload the requisite documents along with their mobile number on NCIP. Due care should be taken in filling up the details in the application form of each of the insured non- loanee farmer and it should be cross-checked with the documents attached in the application.

vi. The VLE should ensure that the insured farmers are not deprived of any benefit under the Scheme due to errors/ omissions/ commissions by them, and if such a case is reported, necessary administrative and legal action will also be taken for lapses in service/malpractices.

vii. To issue acknowledgement receipt to the concerned farmer.

Designated Insurance Agents/Insurance Intermediaries:

i. To guide the farmers in filing the insurance proposal/application in the prescribed format and collecting the required documents along with Aadhaar number and Mobile number from non-loanee farmers.

ii. Collect the premium on behalf of the IC, as per the provisions of the Scheme and issue acknowledgement receipt of proposal to the farmer.

iii. To enter details along with requisite documents of the individually insured farmer on NCIP, transfer the consolidated premium to the concerned IC electronically and digitize the payment details compulsorily on the NCIP within the respective cut-off dates. Insurance coverage will only be valid for those insured farmers whose farmers premium is remitted electronically to the ICs and remittance details are entered/ uploaded on NCIP within the respective cut off dates.

iv. Ensure that the insured farmers are not deprived of any benefit under the Scheme due to errors/ omissions/ commissions., and if any, the Insurance Company shall make good all such losses. Necessary administrative and legal action may also be taken for lapses in service/malpractices, if, reported.

Loanee Farmers:

i. As the Scheme is made optional for all loanee farmers availing SAO loans/KCC loans for notified crops, it is mandatory for all loanee farmers to submit a signed declaration in case they want to opt-out of the insurance coverage under the Scheme for a particular season anytime of the year but at-least 7 days before the cut-off date for enrolment and premium debiting. In case no such "Opt-out" declaration is submitted by the farmer for the season, he/she will be automatically covered for the season.

ii. Any change in the crop plan should be brought to the notice of the KCC/ agri-loan sanctioning bank-branch immediately but no later than 2 days prior to the cut off date for the enrolment and premium debiting. This should be supported by a sowing certificate issued by the concerned village/ sub-district level official of the State.

iii. All loanee farmers are compulsorily required to submit Aadhaar number/copy of Aadhaar card or authenticate themselves through Aadhaar enabled e-KYC along with mobile number for enrolment under the crop insurance before the prescribed cut-off date. All banks have to compulsorily take Aadhaar/Aadhaar enrolment number as per the notification under Aadhaar Act before sanctioning of crop loan/KCC under Interest Subvention Scheme. Hence the coverage of loanee farmers without Aadhaar doesn't arise and such accounts need to be reviewed by the concerned bank branch regularly.

iv. Loanee farmer should not avail KCC/Agriculture Loan from multiple banks on the same land or insure the same land through more than one bank or insure the same land more than once as a non-loanee farmer. If any such cases are reported/identified, the insurance cover will be terminated, the premium shall be forfeited and necessary administrative and legal action may also be taken for such malpractice.

Non-Loanee Farmers:

i. The Non-loanee farmers desirous of availing insurance under PMFBY for any notified crop in any notified insurance unit may approach the nearest bank-branch/PACS/authorized channel partner/ CSC/insurance intermediary of Insurance Company or directly fill-up the online application form on the NCIP within cut-off date and simultaneously upload/ submit the requisite documents and applicable premium to concerned agency.

ii. Applicants must sign/authorize electronically (along with copy of Aadhaar Card/Aadhaar enrolment ID (if Aadhaar seeding/eKYC has not been completed) along with the copy of LPC/Land Records/contract document or any other document defined by the concerned State Government to identify share-cropper/tenant farmer, sowing certificate or self-declaration of intent to sow the proposed crop and copy of Pass Book to the Bank/Intermediary.

iii. All non-loanee farmers willing to enrol through CSCs are compulsorily required to submit mobile phone numbers and Aadhaar numbers. They must authenticate themselves through Aadhaar enabled e-KYC for enrolment under crop insurance before the prescribed cut-off date.

iv. The farmer desiring coverage under crop insurance should open/operate an account in the branch of the designated bank, and the details should be provided in the proposal/application form.

v. The farmer should mention his/her land identification number in the proposal/application and must provide documentary evidence with regard to the possession of cultivable land.

vi. To notify implementing Insurance Company in the event of change of crop or sown area being different from the details declared in the proposal form, the CSC or other channel.

vii. The farmer must furnish area sown confirmation certificate/self declaration of intent to sow the proposed notified crop(s).

viii. Non-Loanee farmer should ensure that the crop on the same land is not insured more than once or insured through two different agencies. If any such cases are reported/ identified, the insurance cover will be terminated, the premium shall be forfeited and necessary administrative and legal action may also be taken for malpractice.

20. PERFORMANCE EVALUATION OF INSURANCE COMPANY:

i. The performance of the Insurance Companies will be monitored as per the detailed performance evaluation matrix containing key performance indicators with assigned weightage given in the Operational Guidelines of PMFBY. Selected Insurance Companies have to follow the seasonality discipline and provision of Operational Guidelines and instructions issued by the Government from time to time to ensure benefit of the Scheme is reached within stipulated time lines. Non adherence of the guidelines and cut-off dates should attract penalty as envisaged in the Operational Guidelines.
